

1. I would be greatly displaced if K-LOVE were not available. I listen to it all day long, every day.
2. I know a number of people in my local communities that would consider losing K-LOVE to an LPFM broadcaster with other programming to be a disservice to us individually and as a community.
3. I believe K-LOVE's service is in the public interest, because it does broadcast positive, encouraging messages, with wholesome values and ethics.
